

List of documents required before Diploma Examination for persons who started study in 2019/2020 or later

1. After accepting diploma thesis by the Supervisor, at least 5 days before diploma examination you need to bring the diploma documents to the Dean's Office.

2. The set of documents consists of:

1. Application for the issue of a copy/an additional copy of the diploma/diploma supplement for persons who started study in 2019/2020 or later (PD_110 A) with attached proof of payment if needed
2. 5 glossy photos 3,5 cm x 4,5 cm
3. Form "Graduate's Personal Data" (PD_109) filled according to the passport
4. Graduates professional careers monitoring survey (filled and printed from ISOD)
5. In case of applying for a foreign language diploma copy and for a copy of diploma supplement in English, please submit a summary (abstract) in Polish and in the foreign language (about one page A4 each, with translated title), both signed by the Supervisor and Student.
6. Questionnaire for a foreign graduate from study in Poland.

3. The condition for admission to diploma examination is uploading an electronic version of diploma thesis in ISOD, the completeness and correctness of all the information regarding the diploma thesis (title in Polish and in English, scope of thesis, pdf file with thesis). It is the Student who is responsible for uploading thesis and controlling records in ISOD.

Before graduation, when you already know the date of your diploma examination you need to visit The Student's Registration Office – The School's Office (GG 114) with your passport.
